MACERATED LIQUOR OF  
TENDER NUTS AND HERBS  
**RESERVE**

PRODUCED AND BOTTLED IN CATALUNYA

Ever since immemorial times, there is a liquor made in Catalunya of tender nuts and herbs called “Ratafia”. Processed in the Bosch distillery since 1982, it has been a family heirloom, keeping the tradition alive throughout the years.

Ratafia is processed based on an antique recipe of a selection of aromatic Mediterranean herbs and tender nuts.
